MQOF COVID-19 SAFETY PLAN KEY POINTS

as of August 2020

- Following the most recent NSW Health advice, the Diocese of Parramatta highly recommends all worshippers in the Diocese to wear a mask at Masses and other services. This would be as people arrive on parish grounds, during Mass or the service and afterwards as they leave. During Communion, the mask may be removed, but it should be in place at all other times.
- With the regulations in place, St Patrick's Church can only accommodate 100 people and 90 for St Michael's Church at each Mass and service. Therefore, we request that you make a booking via Online or by contacting the Parish Office during office hours. **BOOKING IS NECESSARY.**
- On arrival at the church, please sanitize your hands using the sanitizer supplied at the foyer.
- You are required to confirm your name on the registration sheet. If you haven't made a booking, you will be asked to provide your name and a contact number for contact tracing purposes as mandated by the NSW Government.
- Please sit on the designated chairs. However, if you are from the same family group, you are allowed to sit together.
- During Communion, please form one line and you are required to maintain physical distancing at all times.
- At the conclusion of Mass, please disinfect the chair you used before leaving with the disinfecting wipes provided at the church foyer.
- You are requested not to socialize inside or outside the church but leave as soon as possible after Mass.
- You are not allowed to enter the church if you are experiencing cold or flu-like symptoms, have a temperature, been in contact with anyone that is either a suspected or confirmed case of COVID-19 even if you have made a Mass booking.
- We understand the inconvenience the above may pose, but the health of our parishioners and the wider community is our highest concern.

We sincerely thank you for understanding, and for playing your part in keeping our community safe.
